

## 021-9070

### Removable Shoulder Pad

**Features and Benefits**

Quickly attaches to virtually any harness to replace worn padding, or can attach to un-padded Full Body Harnesses for added comfort.

**Item Weight**

.1 lbs (.04 kg)

**Standards Compliant With**

ANSI	N/A
OSHA	N/A

Material Specifications:	
Webbing	Polyester
Padding	Mesh with EVA

**Installation:** Remove the 021-9070 from its packaging and lay the pad on a flat surface. Undo all hook and loop fasteners, laying the tabs out flat to each side of the padding (See Image 1). Lay the shoulder webbing and dorsal D-ring onto the 021-9070. Wrap the hook and loop fasteners tabs around the shoulder webbing and lower dorsal D-ring webbing and secure (See Image 2). To remove the 021-9070 simply undo the hook and loop fasteners and remove. **NOTE:** Do not attempt to install or remove the 021-9070 onto a full body harness while the harness is in use.
